Career Pathway Management in Aeries

Graphic Production Technologies (Pathway 210)

- | | |
|------|--|
| 8210 | Intermediate Graphic Production Technologies (Concentrator)
This concentrator course builds upon the Manufacturing and Product Development introduction course and provides students with additional concepts and experiences required for career readiness and pursuing further education in the Graphic Production career pathway, which precedes this pathway's capstone course. This concentrator course leads to the capstone course in the Graphic Production pathway's sequence of courses. |
| 8211 | Advanced Graphic Production Technologies (Capstone)
This capstone course further builds upon the Manufacturing and Product Development introduction course and pathway concentrator course in the industry sector and is the final course taken in a sequence of courses which prepares students to work and pursue further education in multiple career pathways. This career technical education capstone course provides content, skill development and leadership training which prepare students for the world of work and to pursue further education such as industry certifications and a postsecondary degree. |

Business Rules with Pathway Sequences

Pathway course
MUST be
completed
sequentially
(1, 2, 3)

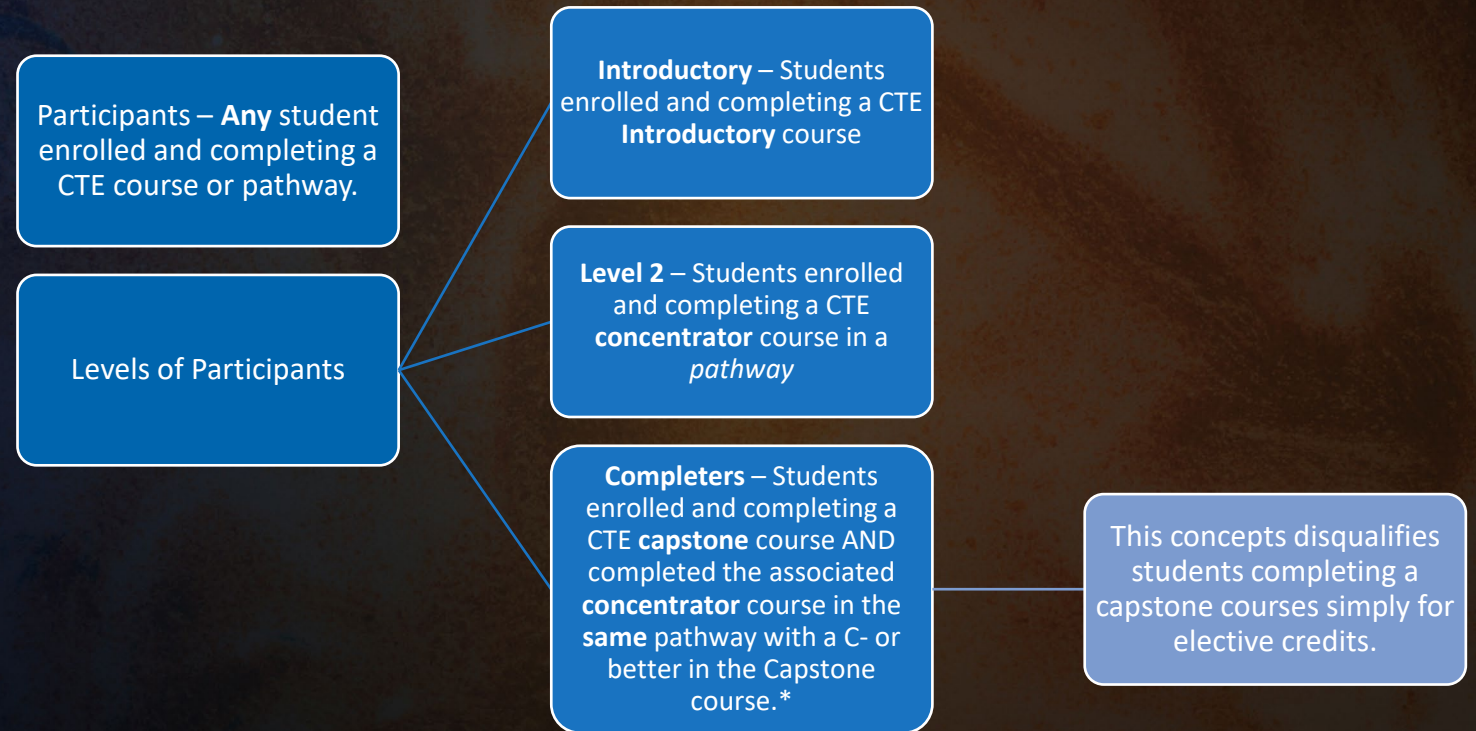

Students are not
required to
complete course
sequence
consecutively

Students may
complete a
pathway at any
grade level if all
courses in the
sequence are
completed in order

LEAs may validate
GPA in a Capstone
Course between
semesters

- F or Incomplete marks
resulting in zero credits
may not be validated.

Pathway Students are referred to as follows...
