Academic Plan Topics

Let's Plan for The Plan

That's a Really Great Plan

- A Quick Overview of the Academic Plan page
- Setting up a Course Sequence
- Editing and Entering Courses in the IAP
- Where is it Used?

Academic Plan

What is It?

- Purpose – creates a map for student planning for high school graduation and post high school preparation
- Plan can start in Grade 6 and map through grade 12
- Will see Courses Completed, Enrolled, and Planned
- Used in Grad Status, UC/CSU Requirements, CCI, Course Requests
- Parents and Students may enter and update if given permission

Academic Plan

Where to Find It

- Navigation Tree
 - Student Data/Scheduling/Academic Plan
- Page Filter – Filter for Plan
 - Will see nearly everything needed to set up and work The Plan

The screenshot displays the Aeries Student Information System interface. The navigation tree on the left is highlighted with red circles around the 'Pages' icon, 'Student Data', and 'Scheduling' items. A red arrow points to 'Academic Plan' in the tree. The main content area shows the 'Home' page with a 'My Tasks' section and an 'Attendance Summary' table.

Attendance Summary

	Wed 2/24	Tue 2/23
Enrolled	1928	1927
2/24 Period Absences	0 64	1 103
2/24 Period Tardies	0 27	1 38

Setting up a Course Sequence

Course sequence is associated with a primary subject area.

A beginning grade level must be defined

Each school sets up sequences

Default Terms must match Course Terms (CRS.TM)

Define up to 16 courses for each sequence

Adding Courses to the Plan

3 Ways to add classes to the plan:

Individually- add courses one by one

By Grade- adds courses by grade level with Course Request Packets

Multi Year – adds courses as a group with Course Sequences.

Editing Courses in the Plan

Move a Course – drag and drop to grade level heading

Change a course

Delete a Course
