Verify accuracy of STU.LF

Golden State Seal Merit Diploma

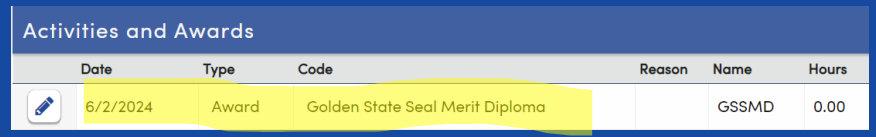
Important Information

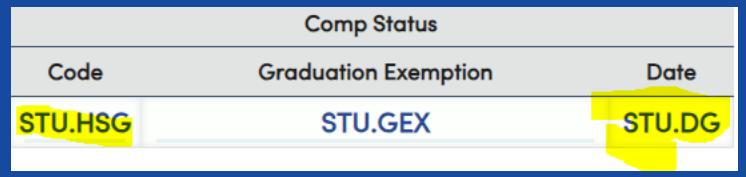
To be eligible for the GSSMD, students (1) must be eligible to receive a high school diploma; and (2) must have demonstrated the mastery of the curriculum in at least six subject areas

Program allows partial automation of student identification for the award
Must be run at the site level

LEAs are responsible for the proper setup, calculation and verification based on the requirements detailed in the Requirements Tab

Extract to CALPADS will be based on information populated in the ACT table and Student Data 2
ACT = Golden State Seal Merit Diploma
Student Data 2 – STU.HSG = 100
STU.DG # Null





Golden State Seal Merit Diploma

The **Golden State Seal Merit Diploma** page will allow you to identify the 12th grade students that qualify for this award. It is available while logged in at the School level.

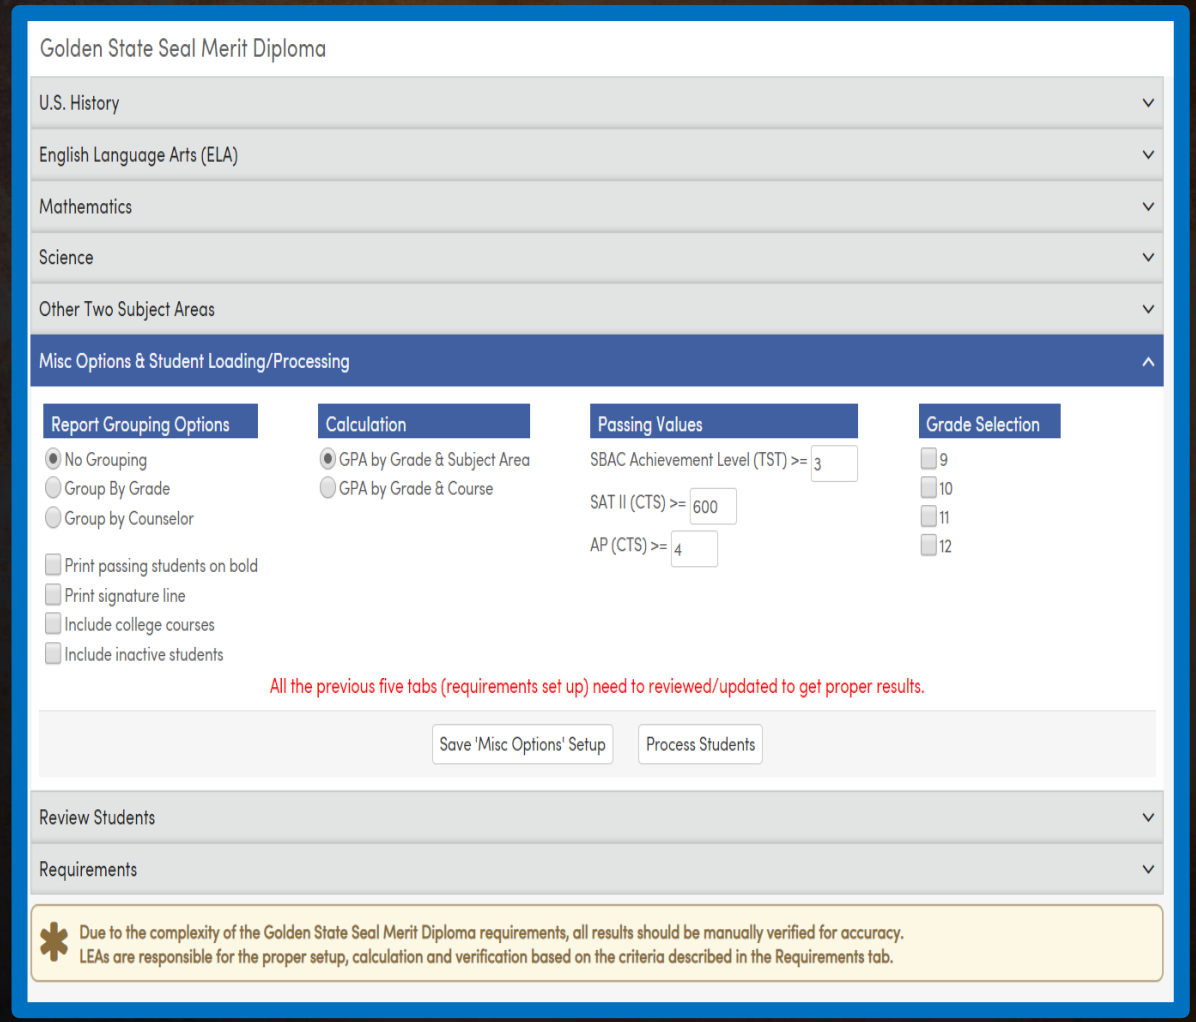
At the end of the school year the form can be used to add Activities and Awards (**ACT**) records for the students that qualified. Students must have STU.HSG code of 100 and completion date populated in Student Data 2.

The **ACT** records are used in the CALPADS collection of Golden State Seal Merit Diploma recipients.

Process

1. Calculate Graduation Status function should be run
   Go to Graduation/College Readiness Dashboard
2. Review each subject area tab for appropriate courses, marks, and testing
3. Identify other subject areas that could qualify
4. Make selections for Miscellaneous Options and Loading Process
5. Process and review the students who qualify
6. Update ACT

Link to documentation: Golden State Seal Merit Diploma



Repeat Courses

Review repeated courses to verify accuracy of completion status

The rule is student qualifies by completing a single course each semester

Verify that the student has completed the curricula for a year's worth of work

Queries for Golden State Seal Merit Diploma

Golden State Seal Query for Qualifying Students

```
LIST STU RTG STU.TG STU.SC STU.SN STU.ID STU.LN STU.FN STU.GR STU.HSG STU.DG
RTG.RNM RTG.QT IF RTG.RNM = "GoldenStateSealMeritDiploma"  AND RTG.QT = "QF"
```
