Question:

Is there any way to mass add grades? We are an Independent Study Program. Office staff put grades into Aeries while teachers update grades with existing excel sheet

Answer: Suggestion: Have the Teachers input the Grades in Aeries. No need to create the grades, Teacher can Issue Credits from Classes or Course Attendance.

Question:

If I need to print grades for one student from last reporting cycle, how can I do that? I only know how to do it at the correct time when I'm doing it for the entire school.

Answer: View All Reports → Grade Report Cards → 1 Mark → choose student

Question:

Is it safe to reinitialize the grading cycle after a term has ended? Like initialize for the Fall Semester after the Spring Semester has started.

Answer: NO!!!! If you can update 1 section if a teacher does not have some students in it. Initializing a grading period deletes Comments, Work Habits, and Citizenship.
