Great new Gradebook ideas from Keller ISD Educators

- Add the ability for parents and students to setup gradebook assignment score notifications.
- Add a school option to allow students in a specified grade range to setup and receive grade threshold notifications, even if the school is elementary
- Add the ability for a district to define default color schemes for "Percentages" and "Rubrics".
- Enhanced support for multi-school gradebooks
- Several new enhancements to support custom mark

The background of the Kahoot! logo is a square divided into four quadrants of different colors: red (top-left), blue (top-right), yellow (bottom-left), and green (bottom-right). Each quadrant contains a faint, stylized map of a world region. The word "Kahoot!" is written in a large, white, bold, sans-serif font across the center of this square.
